"Now more than ever, it's critical to be intentional about equipping EVERYONE to show up as brave leaders in their lives."

Dr. Rosie Ward is a fierce advocate for humanity who is sought after to help rehumanize workplaces that free, fuel, and inspire people to bring their best selves to work - and home - each day.

She is known for challenging and inspiring people to think differently about what it takes to become the best version of themselves and for organizations to foster their growth and development.

Rosie has an incredible gift for taking complex ideas about culture, leadership, behavior change, and what it means to be human and synthesizing them in a way that makes them relevant, understandable, and meaningful for people. She currently lives in Minneapolis with her husband and son.
